

Dear Representative,

I urge you and your colleagues in Congress to STOP the FCC rule change on June 2.

The proposed change will only bring us one step closer to corporate thought-control and a giant step away from the freedom of speech and of the press that is the foundation of our nation.

Freedom of speech implies access and a centrally controlled media will

effectively impose a Berlin Wall between the needs of the American public

and the greed-driven interests of the Trilateral Commission.

PLEASE, don't strip our nation of the freedom of thought and ideals bestowed

on us by our founding fathers.

We allow media companies to use the airwaves in exchange for their assurance

that they're serving the public interest, and it's the FCC's job to make

sure that's so. Please hold the FCC to its mandate and oppose the rule change.

Sincerely,

Robin Kurtz
